  - c) Maximum of four (4) accessory structures on a building site.
  - d) Maximum lot coverage in the rear yard of sixty percent (60%) (flatwork, buildings, pool coping, etc.).
  - e) Maximum of one (1) story in height, the height of the home, or fifteen (15) feet, whichever is less.
5. **Accessory Quarters/Guest Quarters**
  - a) Maximum of 600 SF (if built on the 2nd story of a garage, the maximum square footage shall be the footprint of the garage).
6. **Building height considering FEMA floodplain regulations.**
7. **Remove currently unused District C-2 (Townhouse district).**

In completing the presentation, Mayor Warren called for public comments.

With no one signing up to speak at the hearing, Mayor Warren and Chairman Faircloth closed the joint public hearing at 7:26 p.m. and the Planning and Zoning Commission retired from the City Council meeting at 7:26 p.m. to conduct its posted meeting agenda and prepare final reports in connection with this joint public hearing.

*In closing the public hearing, the Planning and Zoning Commission left the Council Chamber and Chairman Faircloth reconvened the Planning and Zoning Commission Meeting at 7:29 p.m. in the Civic Center Meeting Room. He returned to the regular order of items on the agenda and called the next item as follows:*

### **C. Election of chairperson and vice-chairperson for one-year term.**

Chairman Faircloth presented the item. Background information is as follows:

In accordance with the City of Jersey Village Code of Ordinance Section 14-21(b) the commission shall elect a chairperson and vice-chairperson at the first regularly scheduled meeting after the October appointments who shall serve for a period of one year.

According to October 25, 2021, meeting minutes, Rick Faircloth was elected to a one-year term as chairperson, beginning October 1, 2021, and ending September 30, 2022; and Jennifer McCrea was elected to a one-year term as vice-chairperson, beginning October 1, 2021, and ending September 30, 2022. When Jennifer McCrea was elected to the City Council in May of 2022, she resigned her position on the Planning and Zoning Commission and Eric Henao was elected to serve out her unexpired term

as vice-chairperson for the term ending September 30, 2022.

This item is to elect a Chairperson and a Vice Chairperson for the term beginning October 1, 2022 and ending September 30, 2023.

Chairman Faircloth called for nominations to fill the position of Chairperson. Commissioner Mergel nominated Commissioner Rick Faircloth. Commissioner Lock seconded the nomination. The vote follows:

Ayes: Committee Members Mergel, Henao, Butler, Brown, and Lock  
Chairman Faircloth.

Nays: None

The nomination carried.

- F. Discuss and take appropriate action regarding the preparation and presentation of the Final Report to City Council concerning the repeal and replacement of Chapter 14 "Building and Development", Article I "General", Section 14-88 "Regulations that apply to all districts", in order to allow for updates to residential development standards in accordance with the City's Comprehensive Plan.**

Evan Duvall, Building Official Representative, introduced the item. Background information is as follows:

A Joint public hearing was conducted at the October 17, 2022 City Council and P&Z Meetings for the purpose of receiving oral comments from any interested person(s) concerning the proposal to repeal and replace Chapter 14 “Building and Development”, Article I “General”, Section 14-88 “Regulations that apply to all districts”, in order to allow for updates to residential development standards.

Now, consideration must be given to: (1) the directives of Council; (2) the discussions had concerning these issues at prior P&Z meetings; and (3) the comments made by the public during the public hearing.

After due consideration, the Commission must prepare and vote on the Final Report concerning the repeal and replacement of Chapter 14 “Building and Development”, Article I “General”, Section 14-88 “Regulations that apply to all districts”, in order to allow for updates to residential development standards.

The Commission engaged in discussion regarding the directives of Council, previous discussions of the referenced issue, and comments made by the public during the public hearing.

With no further discussion on the matter, Commissioner Brown moved to approve the final report recommending the repeal and replacement of Chapter 14 “Building and Development”, Article I “General”, Section 14-88 “Regulations that apply to all districts”, in order to allow for updates to residential development standards. Commissioner Henao seconded the motion. The vote follows:

Ayes: Committee Members Mergel, Henao, Butler, Brown, and Lock  
Chairman Faircloth.

Nays: None

The nomination carried.

*A copy of the Commission’s Final Report is attached to and made a part of these minutes as Exhibit “A.”*

- G. Discuss and take appropriate action regarding the preparation and presentation of the Final Report to City Council concerning amendments to Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104 of Chapter 14 “Building and Development” to allow for updates to residential development standards; by removing Section 104-103.1 in its entirety.**

Evan Duvall, Building Official Representative, introduced the item. Background information is as follows:

A Joint public hearing was conducted at the October 17, 2022 City Council and P&Z Meetings for the purpose of receiving oral comments from any interested person(s) concerning the proposal to amend Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104

of Chapter 14 “Building and Development” to allow for updates to residential development standards; and by removing Section 104-103.1 in its entirety.

Now, consideration must be given to: (1) the directives of Council; (2) the discussions had concerning these issues at prior P&Z meetings; and (3) the comments made by the public during the public hearing.

After due consideration, the Commission must prepare and vote on the Final Report concerning the proposal to amend Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104 of Chapter 14 “Building and Development” to allow for updates to residential development standards; and by removing Section 104-103.1 in its entirety.

The Commission engaged in discussion regarding the directives of Council, previous discussions of the referenced issue, and comments made by the public during the public hearing, paying close attention to the comments made concerning setback requirements in certain locations in the City.

With no further discussion on the matter, Commissioner Butler moved to approve the final report recommending amendments to the Jersey Village Code of Ordinances at Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104 of Chapter 14 “Building and Development” to allow for updates to residential development standards; and by removing Section 104-103.1 in its entirety. **Final Report**

**Repeal and Replace Chapter 14, Section 14-88**

**DRAFT**

**CITY OF JERSEY VILLAGE – PLANNING & ZONING COMMISSION  
FINAL REPORT  
REPEAL AND REPLACE CHAPTER 14, SECTION 14-88**

The Planning and Zoning Commission has met on July 11, August 15, and September 7, 2022, and in its preliminary report recommended that City Council repeal and replace Chapter 14 “Building and Development”, Article I “General”, Section 14-88 “Regulations that apply to all districts”, in order to allow for updates to residential development standards in accordance with the City’s Comprehensive Plan.

The preliminary report was submitted to the Jersey Village City Council at its September 12, 2022, meeting. The report was received, and the City Council ordered a Joint Public Hearing for October 17, 2022.

On October 17, 2022, the City Council and the Jersey Village Planning and Zoning Commission conducted a joint public hearing, which gave the public an opportunity to make comments concerning the proposed amendment.

The Planning and Zoning Commission after duly considering all the information before it including that gathered at the Joint Public Hearing with City Council on October 17, 2022, recommends that City Council repeal and replace Chapter 14 “Building and Development”, Article I “General”, Section 14-88 “Regulations that apply to all districts”, in order to allow for updates to residential development standards in accordance with the City’s Comprehensive Plan.

The necessary amendments to the City’s zoning ordinance to effect this recommendation are more specifically detailed in the attached proposed ordinance marked as Exhibit “A.”

Respectfully submitted, this 17th day of October 2022.

s/Rick Faircloth, Chairman

Proposed Ordinance

DRAFT

**ORDINANCE NO. 2022-xx**

**AN ORDINANCE AMENDING CHAPTER 14 OF THE CODE OF ORDINANCES OF THE CITY OF JERSEY VILLAGE, TEXAS, BY AMENDING CHAPTER 14 “BUILDING AND DEVELOPMENT”, ARTICLE I “GENERAL”, BY REPEALING AND REPLACING SECTION 14-88 “REGULATIONS THAT APPLY TO ALL DISTRICTS”, TO ALLOW FOR UPDATES TO RESIDENTIAL DEVELOPMENT STANDARDS; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR REPEAL; PROVIDING A PENALTY AS PROVIDED BY SECTION 1-8 OF THE CODE; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the City Council (the “Council”) of the City of Jersey Village, Texas (the “City”), determines it in the best interest of the health, safety, and welfare of the citizens of the City’s to amend the City’s Code of Ordinances related to Zoning Regulations (the “Code”); and

**WHEREAS**, the Planning & Zoning Commission (the “Commissions”) has issued its report and has recommended amendments to the Code to add and amend portions of Chapter 14 of the Code to allow for updated development standards related to residential development; and

**WHEREAS**, the Commission and the Council have conducted, in the time and manner required by law, a joint public hearing on such amendments; and

**WHEREAS**, the Council now deems that such requested amendment to the Code is in accordance with the City’s Comprehensive Plan and is appropriate to grant; and, **NOW THEREFORE**,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JERSEY VILLAGE:**

**SECTION 1. THAT** the facts and matter set forth in the preamble of this Ordinance are hereby found to be true and correct.

**SECTION 2. THAT** That Section 14-88 of the Code of Ordinances, City of Jersey Village, Texas is hereby amended by repealing and replacing the existing language with language to read as follows:

**Sec. 14-88. - Regulations that apply to all districts.**

(a) *General regulations.*

(1) No use of private or public property, whether it be residential, business, commercial or industrial, shall be permitted if that use is so obnoxious or offensive as to be reasonably calculated to disturb persons of ordinary temper, sensibilities and disposition by vibration, noise, view or the emission of odor, dust, smoke, or pollution of any other kind.

(2) No use of public street right-of-way or public sidewalk or adjacent property, either private or public, shall be permitted if that use inhibits or hinders the movement of normal traffic on that street or sidewalk.

(3) City maintenance personnel must be allowed free access to utility easement and street rights-of-way so they can perform maintenance and repair of utility systems.

a. No buildings or structures of any type or size, other than fences, shall be permitted on utility easements.

b. If fences are located on utility easements, city maintenance personnel may remove such fences at any time for the purpose of gaining access to utility systems, and no liability will be incurred for damages to, repair of or replacement of such fences.

(4) Any building which has been damaged by fire or other causes to the extent of more than fifty percent (50%) of its value shall be rebuilt in conformity with this article, as though it were a new building, or removed. This shall not apply to damaged structures outside the 100-year (one percent probability) floodplain, in regard to slab height, where the footprint of a structure is not modified and the slab is intact. The building shall be secured from entrance by any unauthorized persons within twenty-four (24) hours after all embers are extinguished. A building permit is required before removal, repair or reconstruction commences which shall be started within sixty (60) days of the date the damage occurs and shall be completed within a reasonable time, but not later than one hundred fifty (150) days after the damage occurs. Before occupancy will be permitted a certificate of occupancy shall be required.

(5) Whenever any street is abandoned, the boundaries of any districts that lie along one side of each street are automatically extended to the centerline of such street.

(6) Vehicles held for sale, lease, or rental in any business or industrial district shall not be parked or stored on unpaved surfaces.

(7) No platted lot shall be reduced in size and no lot area shall be reduced or diminished so that the lot size or the yards shall be smaller than prescribed by this chapter. These regulations shall not apply in District D.

(8) No individual water well or piping for such system shall be connected in any way to any public water supply system.

(9) No oil, gas, or other mineral exploration, production, or drilling operations for minerals of any kind shall be conducted on any lot or parcel of land within the city except in zoning district H (industrial district).

(10) Add-on construction. After a certificate of occupancy has been issued for a building in accordance with section 14-7(b), no add-on type of construction such as patio covers, carports, balconies, stoops, porches, or any structural alteration of the building shall be made unless a new building permit is first obtained from the development officer in accordance with Chapter 14. The plans must be submitted to and approved by the development officer. Requests for a building permit to allow add-on type construction or structural alteration of a building shall indicate that the proposed construction will be in harmony with the style of the original building.

(11) No permit for the erection, alteration, reconstruction, conversion, or use of any building shall be issued by the development officer unless the plan required by Chapter 14 provides for a sidewalk to be constructed on all street sides of such building. This subsection shall apply to all districts of the city, except for Block 42.

(12) Buffering. Buffer yards will be required on the perimeter, or parts thereof, of a nonresidential development adjoining or surrounding residential developments in conjunction with the screening requirements provided below. Buffer yards shall be provided to protect the adjacent residential properties from environmental impact of the nonresidential facility such as visual blight, parking or roadway illumination, headlights, noise, blowing paper and dust and service areas. Buffer yards shall be provided according to the standards provided in Example 14-7. See also sections 14-310 and 14-311 for landscaping standards. These regulations shall not apply in District D.

(13) Screening.

a. For development of nonresidential lots directly abutting and adjacent to residential zoning districts, an obscuring wall shall be required. The required wall shall be located inside the nonresidential lot lines abutting and adjacent to the residential zoning districts; provided, however, where a masonry wall has been constructed in a residential subdivision abutting nonresidential lots prior to development of the nonresidential lots, the masonry wall in the residential lots shall serve as the required screen and shall meet all requirements required of screens on nonresidential lots. Where a masonry wall of at least six (6) in height exists in the residential lots abutting a nonresidential development, the nonresidential developer shall provide a buffer yard one and one-half (1½) times the width required elsewhere in this Code with two (2) times the landscaping requirements in lieu of a second masonry wall.

b. All walls shall be constructed of a solid unpierced masonry material with the surface facing the residential lots constructed of a common or face brick, decorative block or similar material that is compatible with the principal buildings in the adjacent residential areas. Similar material shall not include smooth face concrete masonry blocks or units. Masonry walls shall be erected on a concrete foundation of adequate strength and shall be not less than four (4) inches wider than the wall to be erected.

c. No opening shall be permitted for access through the wall unless a solid gate equally the height of the wall is provided. Such gate shall remain closed at all times except when in actual use.

d. The quality and type of materials used structurally for the walls shall conform with those specified in the building code which apply to foundation footing and supporting materials used in residential construction within the city.

e. Any person causing an excavation to be made on property adjacent to an existing wall shall protect the excavation in such a manner so that the soil of the adjacent property will

not cave in or settle causing damage to the existing wall.

f. Walls shall be maintained to remain harmonious with the surrounding property by being repaired, rebuilt, or replaced at intervals necessary to preserve the health, safety, and welfare of the public. Notification of necessary maintenance will be by certified mail from the development officer to the current property owner who is responsible for the maintenance of the walls constructed.

g. If such freestanding walls are not repaired, rebuilt, or replaced within sixty (60) days after receipt of such notification by certified mail that certain maintenance is deemed necessary for the health, safety, and welfare of the public, such penalties for violation shall be enforced as established in this article and other legal recourse.

h. The use of barbed wire, razor wire, or any other similar material is not allowed. These regulations shall not apply in District D.

(14) Lighting of off-street parking areas or for external illumination of any building and grounds shall be arranged so that the source of light is concealed or shielded from public view and from adjacent residential properties and does not interfere with traffic. These regulations shall not apply in District D.

(15) Temporary buildings shall be permitted only in connection with construction on the premises on which located, which buildings shall be removed upon completion or abandonment of the construction; real estate sales offices during development of residential subdivision in which they are located and limited to sales of property in such subdivisions; and educational, municipal, or church functions operated for the benefit of the public. It shall be unlawful for any person to erect, construct, enlarge, place, locate, or relocate any temporary building on premises within the city, or cause the same to be done, without first obtaining a building permit therefor in accordance with section 14-114. It shall be unlawful for any person to use or occupy a temporary building without first obtaining a certificate of occupancy therefor in accordance with section 14-7(b). A certificate of occupancy shall be limited to the duration of the intended use not to exceed one (1) year; provided, however, that the certificate of occupancy may be extended as follows:

a. Where the temporary building is used for the contractors' offices, equipment storage, model homes and real estate sales offices for residential projects, the certificate of occupancy may be extended at one (1) year intervals until the project is ninety percent (90%) constructed; and

b. Where the temporary building is for a use other than described in subsection (16)a of this section, the certificate of occupancy may be extended for one (1) additional one (1) year period.

A temporary building shall be in compliance with the terms of the building code and all other applicable laws and ordinances. A temporary building shall not be used in any manner constituting a nuisance or interfering with the quiet enjoyment of the neighborhood. These

regulations shall not apply in District D.

(16) Maintenance, fabrication, and repair of equipment or machinery and manufacturing, processing, and assembly of materials, products, and goods shall be performed only on a paved area located within the building lines of a lot, whether within or outside of a building.

(17) Garbage and refuse containers in commercial and industrial zoning districts shall be screened from public view, from adjacent buildings and from adjacent property, public or private. Screens shall be permanent and opaque and of wood, metal, or masonry material, shall be at least as high as the screened object and shall not be less than six (6) feet high. These regulations shall not apply in District D.

(18) Fencing standards. Where chain link fencing is constructed within the city, the fencing material should be a minimum of four (4) feet in height and a maximum of six (6) feet in height. All fencing four (4) feet in height shall be a minimum of eleven (11) gauge galvanized material and all fencing higher than four (4) feet shall be a minimum of nine (9) gauge galvanized material. Barbed wire and razor wire may be used in commercial and industrial districts in combination with the above approved fencing material and shall be installed on top of the fence with the total height above ground not to exceed seven (7) feet. These regulations shall not apply in District D.

(19) A nonresidential building may not be erected on a lot abutting a subdivision containing residential structures closer to the subdivision than fifty (50) feet for a one (1) story building, one hundred (100) feet for a two (2) story building, or one hundred fifty (150) feet for a three (3) or more-story building. These regulations shall not apply in District D.

(20) No sleeping quarters other than those within a permanent residential structure, hotel, or motel shall be used for longer than seven (7) days within a thirty (30) day period; provided that a recreational vehicle or portable building may be used for temporary housing and sleeping quarters by a person whose residence is uninhabitable as a result of flood, fire, or environmental conditions if parked on a paved surface on a private property and with appropriate sewer and electrical connections. No person shall occupy a recreational vehicle or portable building for temporary housing and sleeping quarters without first receiving a permit for such use from the building official. The building official shall issue a permit if the conditions set forth herein are met. The permit shall be valid for the period of time necessary to restore the residence to habitability, as determined by the building official, but not to exceed one hundred twenty (120) days. Any extension to such permit will require approval of the building official and director of public works. These regulations shall not apply in District D.

(21) Any finished floor that is elevated more than twelve (12) inches above natural grade shall be provided with a dropped brick ledge or dropped veneer so as to leave no more than eight (8) inches of slab exposed. All crawl spaces resulting from pier-and-beam and stem-wall types of construction must provide dropped veneers with vents sufficient to cover the sub-slab void.

(b) *Building setbacks.* Unless otherwise specifically provided elsewhere in this article, all buildings and structures located in a district within the city shall conform to the following setbacks

(as measured from the property line):

Lot Line	Setback(In Feet)	Modifier
Front	25	—
Rear	25	(1) Excluding fencing
Side street	10	(1) 25 feet where one or more lots have frontage on the street.
Side	7½	(2) Zero feet for townhouses and one side of patio homes.

**SECTION 3. THAT** in the event any section, paragraph, subdivision, clause, phrase, provision, sentence, or part of this Ordinance or the application of the same to any person or circumstance shall for any reason be adjudged invalid or held unconstitutional by a court of competent jurisdiction, it shall not affect, impair, or invalidate this Ordinance as a whole or any part or provision hereof other than the part declared to be invalid or unconstitutional; and the City Council of the City of Jersey Village, declares that it would have passed each and every part of the same notwithstanding the omission of any such part thus declared to be invalid or unconstitutional, or whether there be one or more parts.

**SECTION 4. THAT** all other ordinances or parts of ordinances in conflict or inconsistent herewith are, to the extent of such conflict or inconsistency, hereby repealed.

**SECTION 5. THAT** any person who shall violate any provision of this Ordinance shall be guilty of a misdemeanor and subject to a fine as provided in Section 1-8.

**SECTION 6. THAT** this Ordinance shall be in full force and effect from and after its passage.

## **Planning and Zoning Commission Minutes**

**October 17, 2022**

### **Final Report**

**Adding a Definition for “Home Occupations,”  
Adding a new Section 14-100, Repealing and  
Replacing Sections 14-101 through 14-104,  
and Removing Section 103.1**

**CITY OF JERSEY VILLAGE – PLANNING & ZONING COMMISSION  
FINAL REPORT  
CHAPTER 14, ARTICLE IV AMENDMENTS**

The Planning and Zoning Commission has met on July 11, August 15, and September 7, 2022, and in its preliminary report recommended that City Council amend Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104 of Chapter 14 “Building and Development” to allow for updates to residential development standards; by removing Section 104-103.1 in its entirety.

The preliminary report was submitted to the Jersey Village City Council at its September 12, 2022, meeting. The report was received, and the City Council ordered a Joint Public Hearing for October 17, 2022.

On October 17, 2022, the City Council and the Jersey Village Planning and Zoning Commission conducted a joint public hearing, which gave the public an opportunity to make comments concerning the proposed amendment.

The Planning and Zoning Commission after duly considering all the information before it including that gathered at the Joint Public Hearing with City Council on October 17, 2022, recommends that City Council amend Chapter 14 “Building and Development”, by amending Section 14-5 “Definitions” to include a definition for home occupation; by adding Section 14-100 “Residential Permitted Use Table” to Chapter 14 “Building and Development”; by repealing and replacing Sections 14-101 through 14-104 of Chapter 14 “Building and Development” to allow for updates to residential development standards; by removing Section 104-103.1 in its entirety in accordance with the City’s Comprehensive Plan.

The necessary amendments to the City’s zoning ordinance to effect this recommendation are more specifically detailed in the attached proposed ordinance marked as Exhibit “A.”

Respectfully submitted, this 17th day of October 2022.

DRAFT

**ORDINANCE NO. 2022-xx**

**AN ORDINANCE AMENDING CHAPTER 14 OF THE CODE OF ORDINANCES OF THE CITY OF JERSEY VILLAGE, TEXAS, BY AMENDING CHAPTER 14 “BUILDING AND DEVELOPMENT”, BY AMENDING SECTION 14-5 “DEFINITIONS” TO INCLUDE A DEFINITION FOR HOME OCCUPATION; ADDING SECTION 14-100 “RESIDENTIAL PERMITTED USE TABLE” TO CHAPTER 14 “BUILDING AND DEVELOPMENT”; REPEALING AND REPLACING SECTIONS 14-101 THROUGH 14-104 OF CHAPTER 14 “BUILDING AND DEVELOPMENT” TO ALLOW FOR UPDATES TO RESIDENTIAL DEVELOPMENT STANDARDS; PROVIDING THAT SECTION 14-103.1 IS REMOVED IN ITS ENTIRETY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR REPEAL; PROVIDING A PENALTY AS PROVIDED BY SECTION 1-8 OF THE CODE; AND, PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the City Council (the “Council”) of the City of Jersey Village, Texas (the “City”), determines it in the best interest of the health, safety, and welfare of the citizens of the City’s to amend the City’s Code of Ordinances related to Zoning Regulations (the “Code”); and

**WHEREAS**, the Planning & Zoning Commission (the “Commissions”) has issued its report and has recommended amendments to the Code to add and amend portions of Chapter 14 of the Code to allow for updated development standards related to residential development; and

**WHEREAS**, the Commission and the Council have conducted, in the time and manner required by law, a joint public hearing on such amendments; and

**WHEREAS**, the Council now deems that such requested amendment to the Code is in accordance with the City’s Comprehensive Plan and is appropriate to grant; and, **NOW THEREFORE**,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JERSEY VILLAGE:**

**SECTION 1. THAT** the facts and matter set forth in the preamble of this Ordinance are hereby found to be true and correct.

**SECTION 2. THAT**, Section 14-5 “Definitions” of Chapter 14 “Building and Development” of the Code of Ordinances, City of Jersey Village, Texas is hereby amended to read as follows (with such amended language to be included in the appropriate alphabetical order within the existing portion of Section 14-5):

*“Home occupation* means an accessory occupational use conducted entirely within a dwelling unit by its inhabitants that is clearly incidental to the use of the structure for residential purposes and that does not change the residential character of the site. A home occupation may include an operation in which members of the immediate family sell or offer for sale articles which they produce on the premises; but home occupation does not include operations that use persons who do not reside on the premises to either: (1) sell or offer for sale such articles; or, (2) produce such articles. Additionally, animal hospitals, animal kennels, barber shops, beauty shops, clinics, doctor's offices, dress shops, hospitals,

insurance offices, millinery shops, real estate offices, tearooms, tourist homes, palm readers, fortune tellers, among others and as examples only, are not home occupations.”

**SECTION 3. THAT** the Code of Ordinances, City of Jersey Village, Texas is hereby amended by adding a section, to be numbered Section 14-100, which section reads as follows:

“Sec. 14-100. Residential Permitted Use Table.

PC Notes.

Note 1: To operate a home occupation, the following standards shall be met:

- (1) The home occupation must be clearly incidental to the use of the dwelling as a residence;
- (2) No outdoor sign, display or storage of materials, goods, supplies or equipment shall be allowed;
- (3) There shall be no change to the exterior of the building nor any visible evidence or signs that the residence contains a home occupation;
- (4) A home occupation shall not generate a nuisance such as traffic, on-street parking, noise, and electrical interference or hazards;
- (5) The maximum area devoted to a home occupation shall be 25 percent of the gross floor area of the dwelling unit;
- (6) The home occupation shall not use employees who do not reside on the premises.

Note 2: Including accessory uses customarily incidental thereto; provided that any such accessory use shall not be so obnoxious or offensive as to be reasonably calculated to disturb persons of ordinary temper, sensibilities and disposition by reason of vibration, noise, view or the emission of odor, dust, smoke or pollution of any other kind. The height and area, construction, and other regulations provided by this section shall not apply to uses allowed by this subsection.

Note 3: Provided that a builder may have no more than one model home in a subdivision. A model home must have a temporary certificate of occupancy and may be open for business only between the hours of 6:00 a.m. and 9:00 p.m. Use of a structure as a model home shall terminate on the first of the following events to occur:

- (1) the expiration of 30 days after building permits have been issued for 90 percent of the lots in the subdivision;
- (2) the expiration of 30 days after building permits have been issued for all lots owned by the builder in the subdivision; or
- (3) the expiration of 180 days after issuance of the latest building permit to the builder for a lot in the subdivision.

Note 4: Single-family townhouse style dwelling units in a unified development: No “flats” or apartment style building shall be constructed in the district.

Note 5: A dwelling unit meeting all of the following criteria:

- (1) It is located on the same building site as a principal building containing a dwelling used for single-family (detached) use (can include a kitchen); and
- (2) It includes no more than six hundred square feet of gross floor area; unless located on the second story of a garage, then the maximum gross floor area is the footprint of the garage.

Note 6: Churches or other places of worship which shall contain not less than 4,000 square feet of ground floor area. No church or other place of worship shall be constructed on a lot having less than five acres of total area.

(c) Height.

1) Single-family residences shall not exceed two and one half (2½) stories in height, except for Blocks 26, 38, 41, 42 and 47, which shall not exceed one and one half (1½) stories.

a. The maximum height of a two and one half (2½) story home shall be thirty-five (35) feet from the finished floor.

b. The maximum height of a one and one half (1½) story home shall be twenty-five (25) feet from the finished floor.

2) Calculating the maximum height of a single-family property. The maximum height of a finished floor for a single-family dwelling, structures, or accessory structures are determined by the following locations:

a. **Floodway:** A maximum finished floor of three (3) feet above the 100-year floodplain.

b. **AE (100-year floodplain):** A maximum finished floor of two (2) feet above the 100-year floodplain.

c. **X-Shaded (500-year floodplain):** A maximum finished floor of one (1) foot above the 500-year floodplain elevation.

d. **X-Unshaded:** A maximum finished floor of two (2) feet above the crown of the street or sidewalk, whichever is greater.

3) Any finished floor that is elevated more than twelve (12) inches above natural grade shall be provided with a dropped brick ledge or dropped veneer so as to leave no more than eight (8) inches of slab exposed. All crawl spaces resulting from pier-and-beam and stem-wall types of construction must provide dropped veneers with vents sufficient to cover the sub-slab void.

(d) Building area and add-on construction.

1) Single-family dwellings shall have a building area of at least one thousand seven hundred fifty (1,750) square feet for single-floor residences, or one thousand two hundred (1,200) square feet on the ground floor for multistory residences.

2) Nonresidential buildings shall contain not less than one thousand (1,000) square feet of ground floor area, except for churches or other places of worship which shall contain not less than four thousand (4,000) square feet of ground floor area.

3) Where add-on construction to a single-family detached dwelling in district A involves structural alternation that will increase the square footage of an enclosed living area on the ground floor, such add-on construction shall be permitted only to the side or rear of the existing dwelling, as space on the lot may allow while maintaining conformance with the applicable standards for minimum side and rear building setbacks. Where such add-on construction will result in a finished building height that at any point exceeds the height of the front façade of the existing dwelling at any point, the add-on construction shall be permitted only to the rear of the existing dwelling.

(e) Parking.

1) The number of parking spaces for a single-family residential dwelling shall be a minimum of two (2) parking spaces per dwelling unit.

2) The parking of private recreational vehicles (manufactured or home-made) including, but not limited to, motor homes, mini-motor homes, travel trailers, 5<sup>th</sup>-wheel trailers, camping trailers, boat trailers, other trailers used for recreational purposes only, truck campers, all-terrain vehicles and all types of watercraft including boats and jet skis (motorized or propelled by any other means) shall not be parked or stored in front or side yards in zoning district A except for temporary periods of time not exceeding three consecutive days within a single calendar month. A recreational vehicle shall not be parked or stored in a rear yard in zoning district A unless such a vehicle is screened from public view by a six (6) foot solid wood, opaque, wrought iron, masonry or other equivalent screening fence material approved by the Building Official. When parked or stored, such vehicles shall have no part projecting past the front of the home. Nothing in this chapter is intended to preclude the construction of a properly permitted building that will enclose and screen recreational vehicles.

3) Commercial trailers or semi-trucks are not permitted to be stored within residential districts at any time.

4) Trucks and vans, larger than one (1) ton in capacity, and self-propelled, self-powered, or pull-type equipment that weighs at least three thousand (3,000) pounds and that are intended to be used for commercial, agricultural, construction, or industrial uses, trailers and towed vehicles shall not be parked or stored in a front, side, or rear yard in district A except during the act of loading or unloading and except in connection with the provision of services to the property at which is parked.

5) Truck tractors shall not be stored or parked in district A except during the act of loading or unloading.

6) No vehicle shall be parked or stored on an unpaved surface in a front or side yard in zoning district A.

(f) Additional Structures. Freestanding structures in addition to a single-family dwelling.

1) Freestanding structures shall not exceed one (1) story in height, the height of the home, or fifteen (15) feet, whichever is less.

2) The maximum square footage of any one freestanding structure shall be one thousand (1,000) square feet.

3) The maximum square footage of freestanding structures shall be fifty percent (50%) of the square footage of the main structure. The square footage of a detached garage shall be excluded from this calculation.

4) The maximum lot coverage in the rear yard shall be sixty percent (60%) (includes all non-pervious coverage such as concrete and pool coping).

5) The maximum number of accessory freestanding structures in the rear yard shall be four (4).

6) Building permits are not required for accessory freestanding structures provided that such structures shall have a building area of less than twenty-five (25) square feet and provided that no utilities are installed.

(g) Attached and Detached Garages.

1) Detached garages are permitted to have a maximum height of two (2) stories or the height of the home, whichever is less.

2) Detached private garages shall not exceed four (4) car capacity or one thousand (1,000) square feet of ground floor area.

3) Detached private garages and other freestanding structures exceeding one (1) story in height shall not have second story openings facing the nearest side or rear lot line, except as may be required to comply with standards for emergency access and egress.

4) An attached or detached private garage which loads from a side street shall not be located closer than twenty (20) feet to the side street line.

5) Garages with a breezeway width measuring less than eight (8) feet shall be considered detached from the primary structure.

(h) Lot size.

1) No lot in this district for a single-family detached dwelling shall have a total area that exceeds by more than twenty percent (20%) the total area of any other lot for a single-family detached dwelling on the same block face.

2) Residential lots shall have a minimum of fifty percent (50%) of the required front yard and required side yards adjacent to a side street devoted to landscaping.

(i) Masonry Standards. The exterior walls on all residences in district A shall be a least seventy-five percent (75%) masonry construction to the top elevation line of the building sides of the first floor. Slab on grade home elevations must install masonry skirts to cover the sub-slab void or crawlspace, below exterior walls. The style and quality of all carports, detached private garages, and freestanding structures constructed after a certificate of occupancy shall conform to the original structure, provided, however, that only utility structures may have metal facades.

1) Masonry construction may include brick, stucco, or stone material. Stucco must be integrally colored or otherwise finished with a coating.

2) Use of CMU for exterior wall veneers is prohibited in this district, except that split-face concrete blocks, integrally colored or otherwise finished with a coating, may be utilized for the construction of veneer skirts for slab on grade home elevations. EIFS is prohibited.

(j) Fences and hedges.

1) No fence in district A shall be permitted in the front yard, extending past the building setback line. For side street fencing, where one (1) or more lots have frontage on the street, wrought iron style fencing may be installed to within two (2) feet of the public sidewalk and shall not encroach beyond the side lot line.

2) Fences and hedges in district A may not be erected or planted directly on a property line without the express agreement of the property owners on both sides of the property line.

3) Fences in district A shall not:

a. Exceed eight (8) feet in height, except for chain-link fencing, with chain-link fencing being a maximum of six (6) feet in height;

b. Be topped with barbed or razor wire;

c. Be electrified; or,

d. Be constructed of (or modified with) any fencing material(s) intended to be injurious or malicious in nature (such as, but not limited to, broken glass or metal spikes) that have the potential to cause bodily harm or injury.

4) Fences in district A shall be constructed of the following materials, such as:

a. Chain-link:

- i. All chain-link fencing to be a minimum of four feet in height, a maximum of six (6) feet in height, and shall be a minimum of eleven (11) gauge galvanized material.
- ii. All chain-link fencing higher than four (4) feet shall be a minimum of nine (9) gauge galvanized material.

b. Redwood.

c. Cedar.

d. Wrought iron.

e. Brick or other approved material of equal quality.

4) Refuse containers or similar equipment on nonresidential lots in district A shall be screened from public view, and from adjacent buildings or property, whether public or private. Such screening shall be permanent and opaque and of wood, metal or masonry material and shall be at least as high as the screened object, but in no event shall be less than six (6) feet in height.

(k) Minimum Landscaped areas.

1) Specific standards.

a. Residential lots shall have landscaped areas which in the aggregate include not less than fifty percent (50%) of the area contained within the building setbacks.

b. A minimum of two (2) trees (either existing or planted) measuring one (1) inch or greater in diameter four (4) feet above the ground at time of planting or measurement (if existing) are required within the front or side street setback areas.

c. Landscaping shall be in harmony with the surrounding area adequate to minimize visual monotony and barrenness.

2) See Chapter 14, Article XII. – Landscaping, Buffer yard, Park and Open Space Standards for additional landscaping requirements.

**Sec. 14-102. Regulations for district B (townhouse/patio home district).**

(a) Use regulations. No building or land shall be used and no building shall be hereafter erected, moved or altered in district B except for as provided in Sec. 14-100.

(b) Setbacks.

(c) Building area. For townhouses and patio homes: The building area shall be not less than one thousand four hundred (1,400) square feet.

(d) Height.

1) For single-family detached residences, the maximum height of a two and one-half (2 ½) story home shall be thirty-five (35) feet from the finished floor.

2) For townhouses and patio homes: The height of buildings shall not exceed two (2) stories and thirty (30) feet from the finished floor.

3) For other uses: Buildings shall not exceed twenty-five (25) feet in height from the finished floor.

4) Calculating the maximum height of a single-family, townhouse, or patio home property. The maximum height of a finished floor for a single-family dwelling, townhouse, patio home, structures, or accessory structures are determined by the following locations:

a. **Floodway:** A maximum finished floor of three (3) feet above the 100-year floodplain.

b. **AE (100-year floodplain):** A maximum finished floor of two (2) feet above the 100-year floodplain.

c. **X-Shaded (500-year floodplain):** A maximum finished floor of one (1) foot above the 500-year floodplain elevation.

d. **X-Unshaded:** A maximum finished floor of two (2) feet above the crown of the street or sidewalk, whichever is greater.

5) Any finished floor that is elevated more than twelve (12) inches above natural grade shall be provided with a dropped brick ledge or dropped veneer so as to leave no more than eight (8) inches of slab exposed. All crawl spaces resulting from pier-and-beam and stem-wall types of construction must provide dropped veneers with vents sufficient to cover the sub-slab void.

(e) Parking. The number of parking spaces for single-family dwellings, townhouses, and patio homes shall be a minimum of two (2) parking spaces per dwelling unit.

(f) Additional Structures. Accessory structures in addition to a single-family dwelling.

1) Accessory structures shall not exceed one (1) story in height, the height of the home, or fifteen (15) feet, whichever is less.

2) The maximum square footage of accessory structures shall be fifty percent (50%) of the square footage of the main structure.

3) The maximum lot coverage in the rear yard shall be sixty percent (60%) (includes all non-pervious coverage such as concrete and pool coping).

4) The maximum number of accessory structures in the rear yard shall be four (4).

5) Building permits are not required for accessory freestanding structures provided that such structures shall have a building area of less than twenty-five (25) square feet and provided that no utilities are installed.

(g) Attached and Detached Garages.

1) Detached garages are permitted to have a maximum height of two (2) stories or the height of the home, whichever is less.

2) Detached private garages shall not exceed four (4) car capacity or one thousand (1,000) square feet of ground floor area.

3) Detached private garages and other accessory structures exceeding one (1) story in height shall not have second story openings facing the nearest side or rear lot line, except as may be required to comply with standards for emergency access and egress.

4) An attached or detached private garage which loads from a side street shall not be located closer than twenty (20) feet to the side street line.

(h) Lot size for townhouses. The minimum lot size shall be two thousand (2,000) square feet, with a maximum density not to exceed ten (10) dwelling units per acre.

(i) Construction/Masonry Standards.

1) For uses permitted in district A, the construction regulations provided by subsection 14-101(c) for district A shall apply in district B. For townhouses and patio homes, the construction regulations provided by subsection 14-103(c) shall apply in district B.

2) Exterior walls shall have at least seventy-five percent (75%) masonry construction to the top elevation line of the building sides of the first floor.

a. Masonry construction may include brick, stucco, or stone material.

b. Use of CMU for exterior wall veneers prohibited in this district. EIFS is prohibited.

3) Townhouses:

a. At least one (1) wall of the living unit must be wholly coincident with the zero-property line.

b. Walls coincident with zero-property lines must be masonry without openings. If an open court is placed on the zero-property line, a minimum of six (6) feet high masonry wall shall enclose the side of the court coincident with the zero-property line.

c. No roof water may be drained to the zero-property line side.

d. No water, electrical panels, plumbing elements, fireplace cleanouts, etc. may be placed on the zero-property line wall.

e. Where a roof overhang over an adjacent lot is proposed a ten (10) foot access easement for maintenance shall be provided on said adjacent lot.

4) Garden/patio homes.

a. The wall that is coincident with or less than five (5) feet to a property line must be masonry without openings.

b. No roof water may be drained on to the adjacent lot or lots.

c. No water, electrical panels, plumbing elements, fireplace cleanouts, etc. may be placed on a wall coincident with or less than five (5) feet to a property line.

d. The minimum building separation between the sides of adjacent dwellings shall be ten (10) feet.

e. Where a roof overhang over an adjacent lot is proposed a five (5) foot access easement for maintenance shall be provided on said adjacent lot.

f. See also subsection 14-135(b), lot line developments, for subdivision platting standards.

(j) Other regulations; Fences and hedges.

1) Fences and walls in district B shall not:

a. Exceed eight (8) feet in height, except for chain-link fencing.

b. Chain-link fencing shall be a maximum of six (6) feet in height.

c. Be topped with barbed or razor wire.

d. Be electrified.

e. Be constructed of (or modified with) any fencing material(s) intended to be injurious or malicious in nature (such as, but not limited to, broken glass or metal spikes) that have the potential to cause bodily harm or injury.

2) Fences in district B shall be constructed of the following materials, such as:

a. Chain-link

i. All chain-link fencing to be a minimum of four (4) feet in height, a maximum of six (6) feet in height, and shall be a minimum of eleven (11) gauge galvanized material.

ii. All chain-link fencing higher than four (4) feet shall be a minimum of nine (9) gauge galvanized material.

b. Redwood

c. Cedar

d. Wrought iron

e. Brick or other approved material of equal quality.

3) Boundary between district B, the eastern business district, and the White Oak Bayou Wastewater Treatment Plant Site. Fences and walls shall not:

- a. Exceed twelve (12) feet in height,
- b. Be topped with barbed or razor wire.
- c. Be electrified.
- d. Be constructed of (or modified with) any fencing material(s) intended to be injurious or malicious in nature (such as, but not limited to, broken glass or metal spikes) that have the potential to cause bodily harm or injury.

4) Boundary between district B, the eastern business district, and the White Oak Bayou Wastewater Treatment Plant Site. Fences and walls shall be constructed of the following materials such as:

- a. Redwood
- b. Cedar
- c. Wrought iron
- d. Brick or other approved materials of equal quality with metal posts set in eighteen (18) inch diameter concrete at least one-third (1/3) the fence height in depth. Construction shall be in accordance with the building code with a foundation designed by an engineer registered in the state.

**PLANNING AND ZONING COMMISSION  
CITY OF JERSEY VILLAGE, TEXAS  
AGENDA REQUEST**

**AGENDA DATE:** October 24, 2022

**AGENDA ITEM:** D

**AGENDA SUBJECT:** Discuss and take appropriate action concerning amendments to the Jersey Village Code of Ordinances at Chapter 14 “Building and Development”, Article I “General”, Section 14-5 “Definitions” by amending definitions for certain uses; and, if appropriate, prepare for presentation to Council a Preliminary Report in connection with any recommendations.

**Dept./Prepared By:** Lorri Coody, City Secretary **Date Submitted:** October 18, 2022

**EXHIBITS:** Planning and Zoning Commission Preliminary Proposed Report  
EXA – Proposed Ordinance – Definition Amendments

**BACKGROUND INFORMATION:**

One of the goals in the Comprehensive Plan is to “Encourage quality Community-orientated Retail and Restaurants”, “Encourage quality Community-orientated Entertainment”, to update city codes to conform to the Comprehensive Plan, and to “Review existing development codes to identify incompatibility with the vision and desired uses (higher quality restaurants, services, and entertainment), and to protect residential neighborhoods.”

To that end, it is necessary to make amendments to certain definitions in Chapter 14, Article I, Section 14-5.

The presented changes simply remove the word “primary” or “primarily”. This change keeps with the intent of what the goal was when originally drafted, which is to allow or not allow, as the case may be, certain businesses in certain areas of the city in order to assist in achieving the goals laid out in the Comprehensive Plan.

This item is to review those proposed definition changes and prepare a preliminary report for submittal to City Council.

**RECOMMENDED ACTION:**

**MOTION:** Discuss and take appropriate action concerning amendments to the Jersey Village Code of Ordinances at Chapter 14 “Building and Development”, Article I “General”, Section 14-5 “Definitions” by amending definitions for certain uses; and, if appropriate, prepare for presentation to Council a Preliminary Report in connection with any recommendations.

**CITY OF JERSEY VILLAGE – PLANNING & ZONING COMMISSION  
PRELIMINARY REPORT  
SECTION 14-5 DEFINITION AMENDMENTS**

The Planning and Zoning Commission has met on October 24, 2022, in order to review amendments to the Jersey Village Code of Ordinances at Chapter 14 “Building and Development”, Article I “General”, Section 14-5 “Definitions” by amending definitions for certain uses; and, if appropriate, prepare for presentation to Council a Preliminary Report in connection with any recommendations.

After review and discussion, the Commissioners preliminarily proposed that the Code of Ordinances of the City of Jersey Village, Texas, be amended to reflect amendments to Chapter 14, Article IV, Sections 14-5 definitions concerning certain uses.

These preliminary changes to the City’s comprehensive zoning ordinance are more specifically detailed in the proposed ordinance attached as Exhibit “A.”

The next step in the process as required by Section 14-84(c)(2)(b) of the Jersey Village Code of Ordinances is for Council to call a joint public hearing with the Planning and Zoning Commission.

Respectfully submitted, this 24th day of October 2022.
